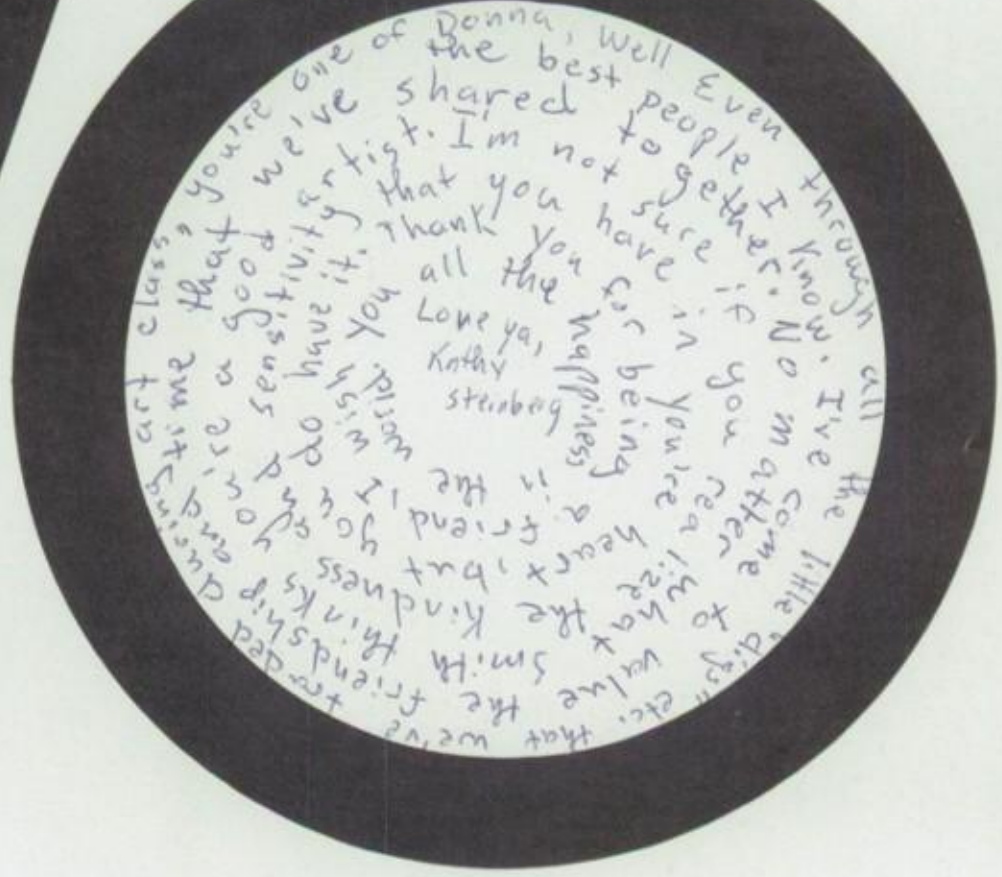
THE LAST OF THE 70S



SANDSTONER 79

Dedication

Mr. McMann has often said: "A chain is only as strong as its weakest link." Mr. and Mrs. McMann are two very strong links in our school system. They are retiring this year, after many years of service to our school.

Mr. McMann has served PCS in a variety of ways during the last 38 years. He has been a bus driver, guidance counselor, J. V. basketball coach, Varsity baseball coach, High School Principal, and Assistant Superintendent. Many former students will remember him as their History teacher, "Little Caesar," while others will recall the championship basketball season in 1946 with Coach McMann.

Mrs. McMann has been one of the most outstanding teachers at Potsdam High School in her 27 years as an English teacher. She will be remembered for her dedication and her interest in helping the remedial English student. She has also been active in drama presentations and public speaking. Her students have won American Legion speaking contests.

We wish Mr. and Mrs. McMann the best in the future and happiness in their retirement. They will be sorely missed.

Running swiftly through a yellow meadow,
a bold stallion carries a mind and soul.

A person, who carries with him,
a thousand and one memories.

In solitude we are least alone,
for we always have those memories,
no matter how meaningful or
unimportant they may be.

Powerful, yet graceful, water
flows over a cliff and seemingly flows on.

So are we, like the water, we shall
leave the cliff and go on.

Though imbedded in us, are the
memories of those certain
places, times or people, that shall
never leave us.

Like the sun shining silently,
to make a winter day seem bright.
Like the rain pouring down on a
summer day, so are our memories.

The memories of John and Terri
will always stay with us, for
they were both a part of our lives.

Confusion of why some people
have to die so young!
This might always be a question
throughout life.

Though we may not understand,
we, like the strong flowing water,
we shall leave the cliff and go on.

Though imbedded in us, are the
memories of those certain
places, times or people, that shall
never leave us.

Varsity Baseball

The 1978 season started with just three seniors in the line-up; Bill Curtin, Jim Hewey, and Mike Dunn. Other returning lettermen were Bill Fisher, Randy Boyer, Robert Gebo, and Mike Rishe.

After the first two league games, the Sandstoners had an 0-2 record, but the team gathered themselves to win nine out of the last ten league contests. They finished in second place in the league division with a 9-3 record.

Highlights of the season were early season victories over Massena, Malone, and two hard fought losses to OFA. The Sandstoners lost a rain delayed opening sectional game to the Malone Huskies.

Varsity Softball

The Potsdam Girls' Softball team completed its most successful season during the 1978 season. The girls finished with a record of 7 wins and 3 losses and third place in the Northern Athletic Conference. They were defeated by the championship OFA team in the Section X competition.

Karen Austin was selected All-Northern at first base for the third straight year. Margaret Bullard was selected as All-Northern outfielder.

Golf

Potsdam's golf team finished the 1978 season with a record of nine wins and three losses. This year's team was led by Capt. Steve Hansen. Potsdam fiished 2nd in the Section X tournament at Tupper Lake, Lucas Brown played #2, Jack King played #3, Rick Durkin played #4 and Greg Smith played #5.

Steve Hansen was chosen #1 on the All-Northern team and Lucas Brown was picked for the #9 spot. This year's club had a team average medal of 84 for 12 matches and averaged 83 in the Section X tournament.

According to Mr. Pelotte this team was the best balanced team he ever had at Potsdam High School.

Pottsdam Central's Junior Varsity linksmen compiled a 1-3 won-lost record in their first season of competition. Next year's varsity showed much promise during the too-short spring.

Varsity Track

The 1978 Potsdam Boys' Varsity Track Team compiled a record of 8-3-1. The highlight of the year has to be Stuart Barrows' final place finish in the 100 yd. dash and his undefeated season in that event. Many of the team's outstanding performers were underclassmen which should provide a fine nucleus for this year's team.

The Girls' 1978 Varsity Track Team compiled a record of 7-4. This year's team consisted of a few veterans, but the majority were young and inexperienced girls. With a tough schedule at the beginning of the season, the girls lost four of their first meets. As the season went on they improved and won the next seven meets.

The girls' placed second in the sectionals and sent twelve girls to the State meet. Overall the girls did extremely well!

JV Baseball

Tim Donahue's J.V. baseball squad finished their season with an admirable 9-5 record overall, while sustaining a 7-5 record in their division action.

Factors which led to a winning season were Jim Bradshaw's consistency at bat and excellent defensive play in the infield by Jeff McCasland, Bill Fogarty, Dick Fenton, and Dan Dorothy.

The team consisted primarily of freshman, whose inexperience showed in the latter part of the season.

Girls' JV Softball

Because of the many girls interested in softball, a J.V. team was formed this year under the coaching of Mrs. Caruso. They had a fairly good first season and should have a good team in 1979, as there will be many freshmen returning.

The 1978 football season started very successfully with a victory over Carthage, a new team in the northern league. The next few Saturdays proved difficult for the 'Stoners losing close contests to St. Lawrence Central, Massena and Gouverneur. Malone was also a tough opponent- coming from behind to tie PCS 12-12. The league champs from Tupper Lake edged Potsdam in the *7th* week of the season and in the final week Potsdam downed Canton 20-8.

The season's record was not too impressive but many personal goals were achieved. Players and coaches agree that the '78 season was a good learning experience and all hopes are high for next year.

Girls' Varsity Soccer

This year's girls' varsity soccer team ended their season with nine wins, six losses, and one tie. They tied for third place with Massena in their division. The team played and lost to Massena to determine who would go to the playoffs. Two of their best games were against Saranac Lake when the Stoners lost by a penalty kick goal (1-0) and against Canton when the team battled to a 2-2 tie in overtime.

The girls had a great season and look forward to next year.

Boys' Varsity Soccer

Captains: Skip Rowe, Phil Vivlamore, Mike Rishe.

The Potsdam Soccer Team placed third in Division 1 to barely qualify for the Sectional Play-offs. The Stoners were underdogs in all their play-offs games, yet they managed to defeat Chateaugay 2-1 in the quarter finals, Madrid 1-0 in the semi-finals, and Canton 1-0 in the finals. The Soccer Championship was won on hard work, and a never-give-up attitude.

All-Northern players were Mike Rishe, Phil Vivlamore, Paul Brown, Jeff McCasland, John Hartzell, Bill Fogarty, and Skipper Rowe. Joe Logan was selected as "Most Improved Player" and Skipper Rowe won the FISH Award (First In Spirit and Hustle).

JV Football

The 1978 JV Football team finished with a 4 - 1 - 3 record. The JV's finished the season in 3rd place behind Massena and Tupper Lake. The highlights of the season were the 2 scoreless ties played with Massena and the eventual champion Tupper Lake in Tupper Lake.

Cross Country And Bowling

The 1978 Potsdam Central Cross Country team finished the season with a 2-3 dual meet record. Senior, Thor VanDiver, and his brother, Ken were selected to first team All-Northern. Jackie Swingle was the only girl to compete for the Stoners and was selected to the second team All-Northern.

The Varsity Girls' Bowling team are the defending Section 10 champs, having won Potsdam's first Section Crown last year and placing 5th in the state. With 4 out of 5 girls returning this year the girls produced another successful year. The Varsity Boys' team have made a marked improvement over last year's performance and placed 2nd in regular season games and 3rd in Sectionals. Kim White, Gayle Morgan and Gregg Farrall represented Section 10 at the States on the All-Star team.

Girls' JV Soccer

The Girls' Junior Varsity soccer team of 1978 ended a successful season with 10 wins and 4 losses placing 3rd in the overall standings behind Canton and Massena. The team showed great enthusiasm throughout the entire season pushing for a win every game. Only 10 goals were scored against the girls while they tallied 28 goals in all. Next year's team looks very promising.

Even though the Varsity and JV Volleyball teams worked hard this year, they met with disappointment, but they kept trying.

They worked on the skill of good Volleyball, rather than just winning.

Next year should show much improvement over this year's records of: Varsity 1 win and 9 losses, and JV 2 wins and 8 losses.

Varsity Hockey

This year's hockey team was very deep in experience as it consisted of nothing but juniors and seniors. After a slow start, forfeiting to Alex Bay and losing to Massena the 'Stoners won the next seven games in a row. Their wins included the S.L.U. Tournament and the Salmon River Tournament over Christmas.

The season's conclusion was not as strong as its start — dropping in league play to 6-7 and 11-8 overall. They did win the Consolation of the Massena Invitational Tournament and concluded the season with a heart-breaking loss to Lake Placid in the Sectionals 6-5.

The season proved to be a great learning experience for all those involved. The team will lose a great number of key players due to graduation but the prospects for next year look good.

Varsity Wrestling

The Wrestling team, although not quite living up to the merits of the past, displayed determination and aggressiveness that can not be overlooked. The team was led by tri-captains Erwin Schober, Mike Guyette, and Bernie Hayes.

Guyette and Schober were both undefeated in dual meets and both won the NAC Tourney, with Guyette taking 1st at the Peru Tourney also. Hayes took 2nd at NAC and Schober took 2nd in Peru, while Bob Quicke and Pete Thomas both took 3rds at NAC and a 6th and 5th respectively, at Peru.

The team finished second in league standings with Erwin Schober, Bernie Hayes, and Mike Guyette as All-Northern representatives of the team.

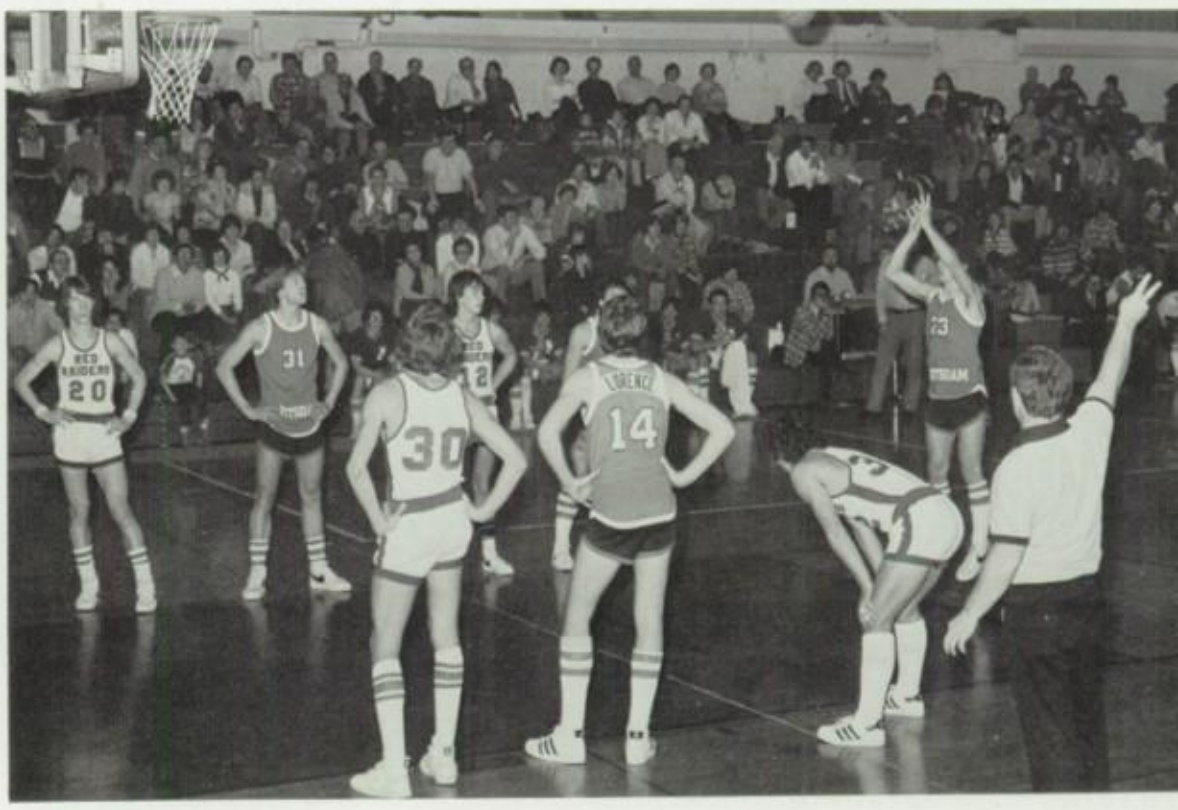
Varsity Basketball

The Potsdam Sandstoner Varsity basketball team was plagued this season by lack of experience. With not one returning starter from last year's team, it was a rebuilding year for the 'Stoners. Although their record was not too impressive, the team never gave up and they were always in the game giving it their all.

Row 1: S. Smith, J. McCargar, D. Wilson, J. Buddenhagen, J. Reasoner, E. Fields Row 2: Coach Gillette, J. Hartzell, K. Wolff, B. Ondek, C. Lorence, M. Spencer, M. Hawley



Girls' Varsity Basketball

The 1979 Girls' Varsity Basketball team finished the season with a 8-4 league record — good enough for 2nd place. The Stonerettes were runners-up to the O.F.A. girls in the Class A Sectional Championship game. The Potsdam cagers finished with an overall 16-6 record.

This year's team was captained by 3-year letter winner Barrie Babich, assisted by co-captains Cheryl Parker and Marcia Campbell.

All Northern 1st team honors went to Barrie Babich, with 2nd team All Northern going to Ellen Hansen. Cheryl Parker was given Honorable Mention for her hard work and play.

Seniors lost through graduation will be Barrie Babich, Cheryl Parker, Patty Williams, Lori Wilson, Marcia Campbell, and Lynn Carey.

Boys' J.V. Basketball

This year's Junior Varsity Basketball team lacked good shooting and, thus, did not score many points per game. The lack of experienced big men hurt the rebounding area of the team. Strong points of this team were the hustling and the defensive capabilities. Inconsistency, however, in all areas hurt the team's performance.

Girls' J.V. Basketball

Determination and drive were the trademarks of the '79 Junior Stonerettes, yet they were unable to surpass the obvious lack of experience.

The team was hampered by the absence of a truly fine shooter. Because of this, the team, a group of players of average skill, consistently fought each opponent right to the wire. Although their skill was only average; their desire and ability to work together was far superior to many groups in the past. Few groups have ever worked as hard or were as persistent as this year's team.
